

# PARS SUPPORTERS' TRUST

## The Vision

Together we will focus our support and passion for the PARS through the Trust to influence the key issues affecting our common goals. The profit for all will be watching the PARS going from strength to strength.

We will unite all supporters on a common platform to develop and deliver our support for the maximum benefit of the Club and the communities in which we live.

## Objectives

- We aim to engage the PARS supporters in a democratic process in the key issues affecting the club.
- Deliver a straightforward method for supporters to invest in the club and have their voice heard.
- Give maximum support to the players, the management and staff at the club.
- Involve all sections of our communities in the 'beautiful game'
- Make attendance at East End Park the highlight of the week and a sense of occasion for our younger supporters.
- Increase and improve communication between DAFC and all supporters
